

Why Foster Teens?

1. Everyone deserves to be special to someone.
2. No diapers required.
3. We sleep through the night. And sometimes half the morning.
4. No more carpools. We can drive you places.
5. We'll teach U 2 txt.
6. Because where would you be in life without the support of YOUR parents?
7. Because every kid deserves a loving family to rebel against.
8. We'll keep you young at heart.
9. We'll do our own laundry. Sometimes.
10. When we go to college, we want to know we can always come back home.

Why Foster Teens is a recruitment initiative created by Children's Square U.S.A (Iowa and Nebraska) and Iowa KidsNet (Iowa). Look for our billboards across the state! Thanks to the other organizations whose reasons for fostering were so great we borrowed some of them.
